

■ SCREEN REPLACEMENT RULES & TERMS CONDITIONS

North West Hope Business Marketing

SCREEN REPLACEMENT POLICY

1. Full payment or deposit must be made before repair starts.
2. Customers must test the phone before leaving the shop. Once accepted, no later claims for display quality, touch, or color issues will be accepted.
3. New screens are tested before installation.
4. Screen replacements do NOT guarantee water resistance after repair.
5. Phones with previous repairs, bent frames, motherboard issues, or liquid damage may develop other faults during or after repair.
6. If the phone has hidden motherboard problems, Face ID/fingerprint issues, ghost touch, or charging faults, these are separate from the screen replacement.
7. Warranty only covers: Touch failure, blank display, and manufacturing defects.
8. Warranty does NOT cover: Cracked screens, water damage, physical damage, burn marks, pressure damage, or customer mishandling.
9. No refunds after successful installation and testing.
10. Devices not collected within 30 days may be sold to recover repair/storage costs.
11. Estimated repair times may change depending on stock availability or technical problems.
12. Tempered glass and screen protectors are recommended immediately after repair for protection.

■■ IMPORTANT CUSTOMER NOTICE

- Cheap copy screens may have slightly lower brightness or quality compared to original screens.
- Some phones may lose True Tone, fingerprint, or Face ID features after repair depending on the model.
- We are not responsible for SIM cards, memory cards, covers, or passwords left with the device.
